

BUSINESS TRAVEL ACCIDENT INSURANCE SUMMARY

AIG - a National Union Fire Insurance Company of Pittsburgh, PA

OVERVIEW

The Business Travel Accident Insurance is administered through AIG Benefit Solution and covers NVIDIA employees traveling on business and their dependents traveling with them at the direction and/or expense of NVIDIA for up to 365 days.

International SOS (ISOS) will coordinate with AIG Benefit Solution to provide you with care including immediate evacuation, locating qualified health care providers, travel certificates, or providing information prior to your travel.

- **Before you travel** outside your home country, prepare yourself by logging into the International SOS website where you can sign up for health and security email alerts or review country-specific reports that will help you stay informed.
- **In an emergency or urgent medical situation**, let International SOS help you locate a qualified health care provider, receive a prescription, or simply answer any general medical questions or concerns you may have. ISOS will also closely monitor your condition with local doctors. Keep in mind that they can also take of details associated with your situation, such as directly paying healthcare providers.

PROCESS

While you are on business travel and experience a medical or other travel emergency or you have experienced damage or loss of your personal property, ***please contact International SOS: (NVIDIA Corporate Membership Number# 11BMMS000186)***
